Dear Zoo Trip

This week Yellow 3 went to the theatre to watch 'Dear Zoo' based on the story about a boy called Ben asks the zoo for a pet and receives large animals, including a giraffe, lion and elephant which was "not okay" before getting his perfect pet, a puppy. The learners had a fabulous time making animal masks and participating in the play. The learners met the actors and everyone enjoyed their day out.

Fundraising

On Friday 8th March Laura Sparrow and Becky Barritt hosted a GSPSA Quiz Night at Glenwood and raised a brilliant **£486**.

Ten teams participated in challenging rounds including an interactive round where teams tasted and analysed crisps in order to guess the peculiar flavours such as Black Truffle and Worcester Sauce.

Thank you to everyone who took part.
