6.1	<p>Decisions regarding annual pay progression within the relevant ranges set out in 4.1-4.3 above, will be made with reference to teachers' performance management statements and the pay recommendation they contain. Early Career Teachers will be eligible for pay progression after their year of Induction</p> <p>The Governing Board expects all teachers to perform at the highest possible level and to continue to improve their professional practice year on year. Performance Management objectives will be progressive and developmental, thereby ensuring that good performance is rewarded and that good teachers have the opportunity over a number of years, to progress to the maximum of their respective pay range.</p>
6.2	<p>Decisions on performance pay progression will be based on an assessment of the <u>overall</u> performance of the teacher.</p> <p>A teacher will be eligible for annual performance pay progression where they:</p> <ol style="list-style-type: none"> 1. have been assessed as meeting all of the teaching standards, throughout the assessment period; 2. have had their teaching assessed as at least good <u>overall</u> during the assessment period; <p>2a) Upper Pay Range teachers will be expected to demonstrate increasing levels of outstanding teaching <u>overall</u></p> <p>2b) Lead Practitioners will be expected to demonstrate outstanding teaching <u>overall</u></p> <ol style="list-style-type: none"> 3. have been assessed as meeting the requirements of their job description/job role; 4. meet their individual performance management objectives; <p>Consideration will be given where factors beyond the teacher's control have impacted on their ability to meet objectives;</p>

(Progression is biennial in the case of Upper Pay Range.) Discretion will be applied where not all performance management objectives have been fully met, but significant progress has been made.</p>
6.4	<p>Decision not to progress</p> <p>Where the performance pay progression criteria in 6.2 are not met, the teacher will not receive any performance pay progression. 	<p>Where the application is approved, the teacher will progress to the minimum of the Upper Pay Range backdated to the 1 September.</p> <p>Where the application is not successful, the Headteacher will provide feedback and the teacher will be provided with advice and support through the performance management process to develop their skills with a view to them making a future successful application.</p> <p>Teachers have the right to appeal any decision not to move them onto the Upper Pay Range. APPENDIX C: PERFORMANCE PAY PROGRESSION - LEADERSHIP

To achieve progression on the Leadership Pay Scale, the School Teachers' Pay and Conditions Document (STPCD) requires individuals to have demonstrated sustained high-quality performance. In making judgements against this criterion and in determining whether there should be progression the Governing Board will consider whether the individual has grown professionally by developing their leadership; and (where relevant), teaching, expertise.

In considering whether there has been professional growth, the Governing Board will consider whether the following description of a person on the leadership scale has been met:

- Those on the leadership spine play a critical role in the life of the school.
- They inspire those around them and work with others to create a shared strategic vision which motivates pupils and staff.
- They take a lead in enhancing standards of teaching and learning and value enthusiasm and innovation in others
- They have confidence and ability to make management and organisational decisions and ensure equity, access and entitlement to learning.

To achieve progression (and for the above to be satisfied), there will need to have been a successful performance management review.

A successful performance management review involves a process of:-

- a) Performance Management objectives, linked to school improvement priorities, pupils' outcomes raising levels of achievement and attainment, leaderships and management skills and competencies, personal development;
- b) Performance against the teaching standards including observed practice;
- c) Performance against any other relevant Standards (eg the Headteacher Standards)
- d) Other evidence, including of professional development/growth.

Note: The Governing Board expects that a teacher's performance objectives will define what needs to be achieved to demonstrate that the individual has grown professionally by developing their leadership and (where relevant) teaching expertise.
